KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in a unit trust constituted in Singapore that aims to achieve long term capital appreciation by investing into an underlying fund.

Refer to Appendix 11 of the Prospectus for further information on features of the product.

Investment Strategy

- The Sub-Fund will invest all or substantially all of its assets in the FSSA Asian Growth Fund (the "Underlying Sub-Fund"), a sub-fund under the Dublin registered umbrella fund known as First Sentier Investors Global Umbrella Fund plc.
- The Underlying Sub-Fund invests primarily (at least 70% of its net asset value) in equity securities or equity-related securities of companies that are listed, or have their registered offices in, or conduct a majority of their economic activity in Asia (excluding Australia, Japan and New Zealand).
- The Sub-Fund and the Underlying Sub-Fund may use financial derivative instruments for the purposes of hedging or for efficient portfolio management.

Refer to Appendix 11 of the Prospectus for further information on the investment strategy of the product.

¹ The Prospectus is available for collection from First Sentier Investors (Singapore), 79 Robinson Road, #17-01, Singapore 068897 or its distributors during normal business hours on any Business Day or accessible at www.firstsentierinvestors.com.

Parties Involved	
WHO ARE YOU INVESTING WITH? <ul style="list-style-type: none"> • The Sub-Fund is a sub-fund of the Singapore constituted umbrella fund First Sentier Investors Global Growth Funds (the "Scheme"). • The Manager of the Sub-Fund is First Sentier Investors (Singapore). • The Trustee of the Sub-Fund is HSBC Institutional Trust Services (Singapore) Limited and the Custodian of the Sub-Fund is The Hongkong and Shanghai Banking Corporation Limited. 	Refer to "Management", "The Trustee and the Custodian" and "Other Parties" sections in Paragraphs 2, 3 and 4 of the Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.
KEY RISKS	
WHAT ARE THE KEY RISKS OF THIS INVESTMENT? Investment in the Sub-Fund is designed to produce returns over the long term and is not suitable for short term speculation. The value of the Sub-Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk.	Refer to Schedule 2 of the Prospectus for further information on risks of the product.
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to market risk in Asia (excluding Australia, Japan and New Zealand) – Certain situations may have a negative effect on the price of shares within a particular market. These may include regulatory changes, political changes, economic changes, technological changes and changes in the social environment. • You are exposed to currency risk – The Sub-Fund and Underlying Sub-Fund may buy shares in various currencies. The value of shares held by the Sub-Fund and Underlying Sub-Fund may be impacted due to changes in the exchange rates. 	
Liquidity Risks	
<ul style="list-style-type: none"> • The Sub-Fund is not listed and you can redeem only on Dealing Days. • You may not be able to redeem on a Dealing Day if a redemption limit is imposed – There may be a 10 per cent limit on the number of units that can be redeemed on any Dealing Day. • You are exposed to the liquidity risk of the Sub-Fund and its Underlying Sub-Fund's investments – The Sub-Fund and its Underlying Sub-Fund may not be able to sell their assets in a timely manner and/or at a reasonable price. If this is the case, you may not be able to get your money back when you want it. 	
Product-Specific Risks	
<ul style="list-style-type: none"> • You are exposed to investment risk – Investment in the Sub-Fund involves risk and you may not get back the full amount you invested. Past performance is no guarantee of future performance. • You are exposed to emerging market risk – Investing in shares in emerging markets may involve a greater risk than investing in shares in developed markets. • You are exposed to single country / specific region risk – The value of the Sub-Fund may be more volatile than a fund having a more diversified portfolio of investments covering multiple countries. • You are exposed to China market risk – The value of the Sub-Fund's assets may be affected by uncertainties such as political developments, changes in government policies, taxation, foreign exchange controls, currency repatriation restrictions, restrictions on foreign investment in China and other adverse liquidity, legal or regulatory events affecting the Chinese market. • You are exposed to single sector risk – The value of the Sub-Fund may be more volatile than a fund having a more diversified portfolio of investments.

APPENDIX: GLOSSARY OF TERMS

Anti-Dilution Adjustment: A percentage charge determined by the manager of the Underlying Sub-Fund that is charged:-

- a) on a Dealing Day where there are net subscriptions into the Underlying Sub-Fund and which will be included in the net asset value per share of the Underlying Sub-Fund which is the subscription price. This charge reflects the costs incurred by the Underlying Sub-Fund in purchasing additional portfolio securities upon the subscription for shares in the Underlying Sub-Fund; or
- b) on a Dealing Day where there are net redemptions from the Underlying Sub-Fund and which will be included in the net asset value per share of the Underlying Sub-Fund which is the redemption price. This charge reflects the costs incurred by the Underlying Sub-Fund in disposing of portfolio securities to meet the redemption requests.

The charge shall not exceed in any event 2% of the subscription or redemption monies, as the case may be, and in both cases the charge shall be paid into or retained by the Underlying Sub-Fund, as the case may be, in order to discharge the typical costs of dealing in the underlying investments of the Underlying Sub-Fund, such as dealing spreads, dealing charges, fees and taxes.

Business Day: Any day other than a Saturday, Sunday, or gazetted public holiday on which commercial banks in Singapore are generally open for business, or where the context expressly requires, any day other than Saturday or Sunday on which commercial banks in Singapore or elsewhere are generally open for business or any other day that the Manager and the Trustee agree in writing.

CSRC: The China Securities Regulatory Commission of the PRC, the government agency responsible for matters relating to securities regulation.

Dealing Day: Such day or days as the Manager may from time to time with the approval of the Trustee determine, but so that

- a) unless and until the Manager (with the approval of the Trustee) otherwise determines, each Business Day after the commencement date of the Sub-Fund shall be a Dealing Day in relation to the Sub-Fund; and
- b) without prejudice to the generality of the foregoing, if on any day which would otherwise be a Dealing Day in relation to Units of the Sub-Fund the recognised market on which investments or other property comprised in, and having in aggregate values amounting to at least 50% of the net asset value (as of the immediately preceding valuation point) of the Sub-Fund are quoted, listed or dealt in is or are not open for normal trading, or (ii) on any day where the Underlying Sub-Fund is not normally traded, the Manager may determine that day shall not be a Dealing Day in relation to Units of the Sub-Fund.

QFI: A qualified foreign investor which has been approved by the CSRC to invest in China's securities and futures with funds (in foreign currencies and/or offshore Renminbi) overseas or, as the context may require, the qualified foreign investor regime (including the qualified foreign institutional investor programme ("QFII") and the RMB qualified foreign institutional investor programme ("RQFII"), as may be promulgated and/or amended from time to time).
